## **Section 1 INTERPRETATION**

### **1.1 Purpose**

This By-law is enacted for the purpose of imposing fees and charges pursuant to Part XII of the *Municipal Act, 2001*, Section 69 of the *Planning Act* and other statutes, regulations, and enactments under which the Municipality is entitled to impose fees and charges.

### **1.2 Schedules – References to other By-laws**

The Schedule to this By-law is an integral part of this By-law. Where the Schedule to this By-law references other By-laws in relation to Fees and Charges imposed hereunder, the terms and provisions of such other By-laws shall apply to the Fees and Charges imposed hereunder, provided that, where there is a discrepancy in the stated amount of any such Fee or Charge between such other By-laws and this By-law, the Fees and Charges set forth in the Schedule shall govern and any inconsistent By-laws shall be amended accordingly.

### **1.3 Severability**

Each Fee and Charge enacted pursuant to this By-law shall be treated as a separate enactment, and shall not necessarily be affected by any determination of ultra vires or other invalidity of any other Fee and Charge enacted pursuant to this By-law.

### **1.4 Absence from this By-law**

If Fees and Charges have been validly enacted under another By-law of the Municipality, the absence of such Fees and Charges from this By-law shall not affect the validity of such other Fees and Charges.

### **1.5 Headings and Index**

The headings and the Schedule Index are included in this By-law for convenience of reference only, and are not an operative part of this By-law.

## **Section 2 FEES AND CHARGES**

## **2.3 Fees and Charges – Manner of Payment**

The Fees and Charges described in the attached Schedule shall be paid in cash or by such other means as may be approved from time to time by the Finance Department. Unless shown to be already included where described in the Schedule, HST, where applicable, shall be paid in addition to any Fees and Charges.

## **2.4 Fees and Charges – Time of Payment**

Except where a contrary intention appears in the Schedule or in any other City By-law relating thereto, or in the contract under which the service, activity, or use of property is provided, all Fees and Charges shall be paid in full at the earlier of the following times:

- (a) At the time that the service, activity, or use of property for which a fee or charge is payable is received or obtained;
- (b) At the time that the service, activity, or use of property for which a fee or charge is payable is requested, including sales of tickets and bookings for future activities, events, and uses of property.

## **2.5 Fees and Charges – Unpaid Fees or Charges – Interest**

Where any portion of a Fee or Charge imposed under this By-law remains unpaid beyond the time at which such Fee or Charge is due, the unpaid balance of such Fee or Charge shall bear simple interest from such due date until the first day of the month in which payment is made at the rate of 24% per annum, calculated on a per-diem basis.

Sections 2.5 and 2.6 apply to Fees and Charges which have been enacted pursuant to Part XII of the *Municipal Act, 2001*. Where Fees and Charges in this By-law have been enacted upon an authority other than Part XII of the *Municipal Act, 2001*, sections 2.5 and 2.6 shall only apply to such Fees and Charges if and to the extent permitted by such other authority.

## **2.8 Reduction or Waiver – Planning Fees**

Council may, by resolution, reduce the amount of, or waive the requirement for, the payment of a Planning Fee or Charge contained herein, provided that Council is satisfied that it would be unreasonable to require payment in accordance with this By-law, and provided that said waiver or reduction in fees does not violate section 106 of the *Municipal Act, 2001*, the *Planning Act* or any other applicable legislation.

## **2.9 Reduction or Waiver – Fees – General**

Where Council determines that the waiver or reduction of any Fee or Charge provided herein, other than a Planning Fee, is in the best interest of the City, Council may:

### **3.2 Effect of Repeal of By-law 34-2022**

The repeal of By-law 34-2022, as amended, shall not have the effect of invalidating any debt which came into existence as a result of the said By-law, and any amounts owing to the Municipality under the said By-law shall remain due and owing to the Municipality and with all the remedies for collection of same, as if the said By-law 34-2022 had never been repealed.
