

CITY OF
BRANTFORD

2024 CALENDAR

Welcome to your 2024 Calendar

We are thrilled to share this annual calendar with our incredible community. Our dedicated team works tirelessly to provide over two hundred essential programs and services, many of which you will find highlighted here.

This calendar is your go-to resource for information on services like yard waste disposal, green bin, garbage and recycling schedules, summer watering restrictions, and household hazardous waste collection events, just to name a few. It is designed to keep you informed about the various services the City has to offer.

Brantford is home to over 70km of natural trails, many of which follow the scenic Grand River, a designated Canadian Heritage River. Brantford also boasts over 60 playgrounds for kids, and kids at heart, to enjoy across the city. With multiple heritage sites and museums, over 1000 acres of park area, swimming pools, fun splash pads and exciting community events, Brantford has options for everyone. Be sure to visit brantford.ca/CommunityEvents for a full listing of upcoming events.

Have an idea to help make Brantford a better place to live, work and play? We invite you to explore LetsTalkBrantford.ca—an interactive platform for public engagement. Here, you can learn about important City initiatives, share your feedback and engage with City staff and other members of our community.

Should you have any questions or need more information about any of the City's programs and services, we encourage you to reach out to us at **519-759-4150**. Our dedicated Customer Service Representatives are here to assist you and guide you to the right resources.

From our City of Brantford family to yours, we wish you a healthy, happy, and prosperous 2024!

Calendar Holidays

Our calendar includes all Federal and Provincial statutory holidays that impact City programs and services, as well as religious holidays that we believe the community would be interested in. If you think a holiday is missing from this calendar, please let us know at communications@brantford.ca so we can include it in the future.

How we keep the city moving

What residents can expect during a snow event

Before the snow comes

In advance of a storm, City staff monitor weather conditions closely, pre-treat and anti-ice City roads, and communicate to residents that a snow event is expected using various City platforms. At this time, residents are asked to keep their vehicles and parked cars off roadways to make room for snow clearing crews.

While the snow is falling

The City of Brantford is responsible for maintaining and clearing nearly 1,400 lane kilometres of roadways. During a winter event, the City's Operational Services crews plow and salt routes in priority order. Visit [Brantford.ca/WinterControl](https://brantford.ca/WinterControl) for more information.

After a Snowfall

Once a snow event ends, City crews focus on complete snow removal in the Business Improvement Area (BIA) downtown, as well as clearing sidewalks fronting City-owned properties and bike lanes. Clean-up of snow and ice build-up on major routes continues and once the snow stops falling, the City activates a 24 hour clock whereby service requests to Operational Services are temporarily paused while crews focus on clean-up efforts. Once a snow free 24-hour period transpires, Operational Services staff resume responding to individual concerns and service requests in priority order.

Waterwise Landscapes

To reduce summer water use, the City encourages residents to embrace waterwise landscaping.

This type of landscaping maximizes water absorption to help gardens withstand both wet and dry weather conditions. The use of specific plants, watering techniques and permeable hardscapes can be used to create a variety of beautiful landscapes that require less water, less money and less maintenance than traditional lawns once established.

Waterwise gardens can survive almost entirely on rainwater using these planting techniques:

- Increase the ratio of plants to grass
- Use plants that are native, perennial, or drought-tolerant
- Use rain barrels where possible
- Use mulch (includes living mulch) to retain water and control weeds

Be Part of Shaping Your Community's Future

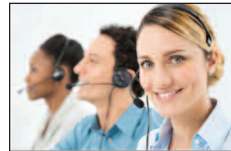

The City of Brantford has over 16 Advisory Committees and Boards, ranging in scope from economic development to arts and culture and environment. Every year, some of the citizen appointments to these Committees and Boards become vacant. If you are a team player who is interested in meeting new people, taking on a new challenge and committed to making our city a better place to live, work and play you may be a good fit for one of these volunteer opportunities.

HOW TO APPLY

Application forms and information about current vacancies is available at brantford.ca/CommitteeApplication.

If you have any questions about applying to sit on one of our Committees or Boards, please contact 519-759-4150, or send an email with your questions to Appointments@brantford.ca.

519-759-4150 connects you to the City of Brantford. Our Customer Service Representatives are happy to answer your enquiries and/or direct you to the appropriate staff.
